ADT-15

TALPA MACHINES ARE BUILT TO WORK CONTINUOUSLY UNDER TOUGH CONDITIONS.

Talpa ADT 15 is a diesel-powered heavy-duty dump truck for narrow vein mining. The powerful four-wheel-drive articulated chassis ensure fast and safe manoeuvring in tight spaces.

ADT 15 layout has a robust design with an excellent power to weight ratio and easy for servicing.

Talpa machines ensure high speeds even in high gradients whilst providing the lowest possible total costs of operation

ADT 15 is a good companion with LH 320 and higher volume bucket sized loaders.
